

## Street Flags

If your flag is going to be out in all weathers, you'll want a real street fighter – a flag that can take the knocks. Raw cut edges, along with curved options are recommended to enhance longevity. Screen and digitally printed flags available to suit your requirements. Digital flags are made in premium grade lock-knit fabric or premium grade poly-knit fabric - and printed using the latest LexJet TexPress printing technology. These fabrics are manufactured here in NZ. The Street Flag is your durable all-weather flag option. Order it in a standard size or create your own dimensions.
